

Editing your story:

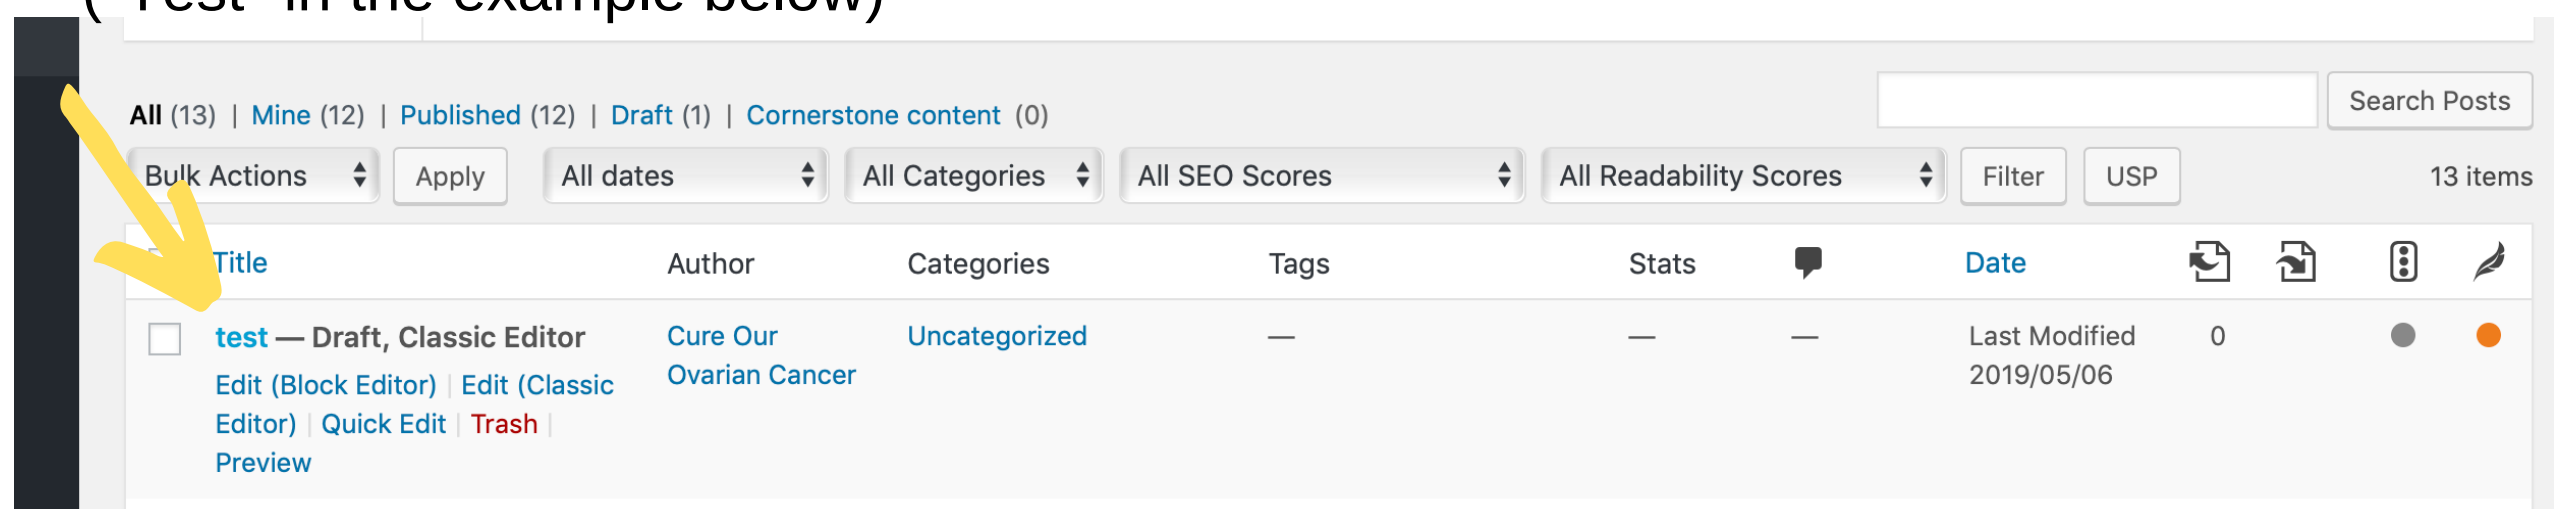

When we added your story to our website we created an account to register you on the website. If you have lost your log-in details you can contact us and we will resend them.

1. Log in at cureouvariancancer.org/wp-admin. Click on Dashboard on the top menu bar.

2. Go to "Posts". Click on "All Posts"

3. Find your post and click on the title ("Test" in the example below)

4. You can make changes to your post, add photos (via the "Add Media" button) and preview changes ("Preview"). Click on the "Visual tab" to get a better idea of what the post will look like and make changes.
